

# This is the way many people deal with HIV.

A lot of people don't think they have to worry about HIV. But the truth is, anyone can get HIV infection if they are sharing drug needles and syringes or having sex with an infected person. Call your State or local AIDS hotline. Or call the National AIDS Hotline at 1-800-342-AIDS. Call 1-800-243-7889 (TTY) for deaf access.
